

DANIEL CORDWIN

MISTER AUTOCORRECT

dcordwin16@gmail.com

Summary

Looking for someone who isn't a computer to check your writing? Look no further! I love this stuff! I've taught English all over the world and would be delighted to ensure your message, paper, website, story, blogpost, etc. is not hindered with any silly typos or misspellings that autocorrect fixed incorrectly or just plain missed. Who better to ask than an actual teacher?!

Employment

KENNEDY ELEMENTARY

4th and 5th Grade Teacher | August 2018 - Present

Taught reading, grammar, spelling, math, and other subjects in a blended learning environment. Ensured students understood content and worked collaboratively with other teachers. During remote learning became fluent in grading online.

ANUBAN KHON KAEN

3rd Grade Teacher | May 2015 - May 2016

Taught English Conversation, grammar, and math. Assisted the Thai administrative staff by proofreading and editing their English newsletters to staff and student's families. Partnered with local high school to tutor students and help them with their English essays.

Core Qualifications

- Fluent in Chicago Manual of Style
- Comfortable using other style guides such as Associated Press, American Psychological Association and Modern Language Association
- Specialize in marketing materials, sports writing, and novels
- Proofread various high school and college student English essays
- Proofread tens of papers for family and friends, from high school term papers to professional letters of recommendation
